

# Vac Master 3060

## “THE BEAST”

 AUSTRALIAN MADE

 VANGUARD® EFI 998CC 40HP ENGINE

 DELIVERS UP TO 18 HG 3 LOBE BLOWER

 100 METRES HOSE LENGTH CAPABILITY

The Vac Master 3060 is designed to be used with our Hydro Master or Waste Master vacuum tanks & fitted onto a custom dual-axle trailer or a mid-wheelbase light tray truck. The vacuum is generated by an exclusively designed positive displacement vacuum producer delivering up to 18 Hg vacuum. The vacuum producer is suitable for 24/ 7 duty cycle and operates at low noise levels due its 3 lobe design. The Vanguard® EFI BIG BLOCK 998cc 40hp engine, with a custom designed muffler, offers the lowest noise levels in a unit without an enclosed cabinet.

  
25 LITRE MARINE FUEL TANK
