

# Debris Loader 14Hp

Small To Midsize Jobs

Light Weight

Low Overall Cost

The Debris Loader 14Hp features include a powerful 14.25" armor plate steel impeller and a 12-gauge steel housing with a replaceable 10-gauge poly liner. The 203mm intake hose is 3 metre long, clear poly helical coil. This unit is mountable in three ways. Tailgate mountable with optional hanger kit; or optional swing away hitch. This litter vacuum machine is perfectly suited for most types of litter and leaf vacuum services.
